

CLAIMS:

1. A card for use in alerting others that an animal is in need of care, said card comprising:
 - a substrate;
 - emergency warning indicia disposed on said substrate; and
 - indicia disposed on said substrate for requesting information and designating a printing area for identifying at least one of a) an address for locating the animal in need of care, and b) a contact person.
2. The card of claim 1 wherein said indicia comprises indicia for identifying said address for locating the animal in need of care.
3. The card of claim 1 wherein said indicia comprises indicia for identifying said contact person.
4. The card of claim 1 wherein said indicia comprises indicia for identifying said address for locating the animal in need of care and said contact person.
5. The card of claim 1 further comprising indicia disposed on said substrate for requesting information and designating a printing area for identifying a description of the animal.
6. The card of claim 1 further comprising indicia disposed on said substrate for requesting information and designating a printing area for identifying veterinarian information.

7. The card of claim 1 further comprising indicia disposed on said substrate for requesting information and designating a printing area for identifying an owner of the animal, veterinarian information, and a description of the animal.
8. The card of claim 1 wherein said emergency warning indicia comprises a cross.
9. The card of claim 1 wherein said emergency warning indicia comprises a medical warning symbol.
10. The card of claim 1 wherein said emergency warning indicia comprises a cross and images of at least one animal.
11. The card of claim 1 wherein said emergency warning indicia comprises the color red.
12. The card of claim 1 wherein said substrate comprises a wallet-sized card.
13. A kit for use in alerting others that an animal is in need of care, said kit comprising:
 - a card of claim 1;
 - a sticker attachable to a building corresponding to the location of the animal, said sticker comprising at least one emergency warning indicia; and
 - wherein said emergency warning indicia of said card corresponds to said emergency warning indicia of said sticker.

14. The kit of claim 13 wherein said sticker comprises indicia for requesting information and designating a printing area for identifying the number of and type of animal.

15. The kit of claim 13 wherein said sticker comprises indicia for requesting information and designating a printing area for identifying a contact person.

16. A card for use in alerting others that an animal is in need of care, said card comprising:

a wallet-sized substrate;

emergency warning indicia disposed on said substrate, said emergency warning indicia comprising a red medical warning symbol and at least one image of an animal; and

indicia disposed on said substrate for requesting information and designating a printing area for identifying an owner of the animal, an address of the owner, a contact person, veterinarian information, and a description of the animal.

17. A kit for use in alerting others that an animal is in need of care, said kit comprising:

a card of claim 16; and

a sticker attachable to a building corresponding to the location of the animal, said sticker comprising at least one emergency warning indicia; and

wherein said emergency warning indicia of said card corresponds to said emergency warning indicia of said sticker.

18. The kit of claim 17 wherein said sticker comprises indicia for requesting information and designating a printing area for identifying the number of and type of animal.

19. The kit of claim 17 wherein said sticker comprises indicia for requesting information and designating a printing area for identifying a contact person.

20. A card for use in alerting others that an animal is in need of care, the card comprising:

- a first substrate comprising a first side and a second side;
- an emergency warning indicia disposed on said first side;
- a second substrate comprising a first side, a second side, and a score line defining said second substrate into foldable and overlapping first and second portions, said first portion being attached to said second side of said first substrate; and

- indicia disposed on said second substrate for requesting information and designating a printing area for identifying at least one of a) an address for locating the animal in need of care, and b) a contact person.

21. The card of claim 20 wherein said indicia comprises indicia for identifying said address for locating the animal in need of care.

22. The card of claim 20 wherein said indicia comprises indicia for identifying said contact person.

23. The card of claim 20 wherein said indicia comprises indicia for identifying said address for locating the animal in need of care and said contact person.

24. The card of claim 20 further comprising indicia disposed on said second substrate for requesting information and designating a printing area for identifying a description of the animal.
25. The card of claim 20 further comprising indicia disposed on said substrate for requesting information and designating a printing area for identifying veterinarian information.
26. The card of claim 20 further comprising indicia disposed on said substrate for requesting information and designating a printing area for identifying an owner of the animal, veterinarian information, and a description of the animal.
27. The card of claim 20 wherein said emergency warning indicia comprises a cross.
28. The card of claim 20 wherein said emergency warning indicia comprises a medical warning symbol.
29. The card of claim 20 wherein said emergency warning indicia comprises a cross and images of at least one animal.
30. The card of claim 20 wherein said emergency warning indicia comprises the color red.
31. The card of claim 20 wherein said substrate comprises a wallet-sized card.

32. A kit for use in alerting others that an animal is in need of care, said kit comprising:

a card of claim 20; and

a sticker attachable to a building corresponding to the location of the animal, said sticker comprising at least one emergency warning indicia; and

wherein said emergency warning indicia of said card corresponds to said emergency warning indicia of said sticker.

33. The kit of claim 32 wherein said sticker comprises indicia for requesting information and designating a printing area for identifying the number of and type of animal.

34. The kit of claim 32 wherein said sticker comprises indicia for requesting information and designating a printing area for identifying a contact person.

35. A card for use in alerting others that an animal is in need of care, said card comprising:

a first wallet-sized substrate comprising a first side and a second side;

an emergency warning indicia disposed on said first side of said first substrate, said emergency warning indicia comprising a medical warning symbol and at least one image of an animal;

a second substrate comprising a first side, a second side, and a score line defining said second substrate into foldable and overlapping wallet-sized first and second portions; and

indicia disposed on said second substrate for requesting information and designating a printing area for identifying an owner of the

animal, an address of the owner, a contact person, veterinarian information, and a description of the animal.

36. A kit for use in alerting others that an animal is in need of care, said kit comprising:

a card of claim 35; and

a sticker attachable to a building corresponding to the location of the animal, said sticker comprising at least one emergency warning indicia; and

wherein said emergency warning indicia of said card corresponds to said emergency warning indicia of said sticker.

37. The kit of claim 36 wherein said sticker comprises indicia for requesting information and designating a printing area for identifying the number and type of animal.

38. The kit of claim 36 wherein said sticker comprises indicia for requesting information and designating a printing area for identifying a contact person.
